TRADING & CONTRACTING

INTRODUCTION

Al Afaq Trading and Contracting, established 23 years ago is a privately held company operating in Eastern Provinces of Saudi Arabia.

What makes us different from other established contracting companies is that we are fresh with ideas backed by a team of professionals highly dedicated to excellence, thereby making the clients satisfied.

AFAQ as a General Contractor is capable, anytime, of calling upon the best of materials as well as engineering and technical expertise to meet the most stringent international standards required for executing the work assigned. We undertake and execute all major trades such as Civil, Architectural, Mechanical and Electrical works.
